WEEKLY TRADE RECCOMENDATION

Composer Andrew Lloyd Webber calls it the “final nail in the coffin.” Actor Michael Caine is ready to move. What are they talking about? Prime Minister Gordon Brown’s creation of a 50% tax bracket for earners over the equivalent of \$218,000 a year has created a considerable backlash. Some say that this will cause a brain drain or even class warfare. At some point, the powers that be will run at this currency taking it under 1.40. Sell BP at 147.00 with a 2 handle stop.
